All the learners of the university are well aware that National Assessment and Accreditation Council (NAAC) of India has been conducting **Student Satisfaction Survey (SSS)** as an important part of Assessment and Accreditation (A &A) process since 18/3/2020.

Several efforts have been made to reach our learners through posters, SMS, website notification, WhatsApp groups, Twitter etc. The learners have been sensitized through SMS for a number of times.

NAAC has extended the last date of submission for SSS form upto 17/9/2020.
